

Davy Jones' Locker

It is 1785, and the Caribbean island of Tortuga is home not only to peaceful plantations but also to thieves, ne'er-do-wells, scavengers, and grave robbers. Tortuga is also a pirate stronghold and a frequent port-of-call for pirates. It also harbors mystics with strange powers.

Fortunately, the Caribbean's most infamous pirate has now been captured. Abel "Blackheart" Read, who has wrought havoc for many years, was captured aboard his ship, the *Pegasus*, a month ago. Then, two weeks ago, Blackheart's second-in-command, Calico Jack, ran his ship (the *Orion*) aground off Tortuga's rocky north coast. With these two pirates out of business, the Caribbean's waters are much safer.

Tonight, the *Libra*, a warship converted for commercial use, departs from Tortuga on its journey to St. Augustine in Florida. For some of its passengers, this will prove to be a profitable journey. For others, Tortuga may be the last dry land they ever see...

In *Davy Jones' Locker*, the course of this fateful journey will be played out over the course of a single evening. The passengers and crew include sailors, pirates, mystics and even a nun. However, not everyone is who, or what, they seem. Some (well, all) have mysterious secrets and will do anything to prevent them from being revealed.

During this journey, many mysteries will be revealed. Who got Blackheart captured? Who wrecked the *Orion*? Will the Montenegro curse be broken? And who will find Blackheart's treasure?

Join us to find out in *Davy Jones' Locker*.

12	6	4	2
13	6	5	2

25	6	5	4

And if you have even more guests, we have a few free extra characters for *Davy Jones' Locker* on our website.

How does Davy Jones' Locker work?

Davy Jones' Locker runs over the course of three or four hours and suits a buffet meal. The host acts as organizer, responsible for making sure everything runs smoothly. The host does not count toward the maximum or minimum number of players.

The guests are crew or passengers aboard the *Libra*. They each have their own goals, and how they achieve them is up to them. *Davy Jones' Locker* is an evening of double-dealing, intrigue, piracy and even murder!

Many thanks for all your help. My son's 18th birthday went down superbly with the help of *Davy Jones' Locker*. We had about 14 attempted murders, one marriage and countless double dealing. The characters were great and the plot intricately woven. **Debbie**
