

Halloween Lies

Welcome to Hollywood!

It is award night and Tom Speed's latest film, *The Vampire Detective*, has just swept the board and won four "Skellies" for Best Picture, Best Actor, Best Director and Best Screenplay. Sadly, Tom Speed's award for Best Actor was accepted posthumously by his friend, Hayden Vicars, as Tom was killed in a driving accident late last night...

Despite this note of sadness, celebrations are in full swing at *The Vampire Detective's* post-award party. Deals are being cut for future productions and everyone is having a good time enjoying the atmosphere and mingling with Hollywood's movers and shakers.

Is there anything suspicious about Tom Speed's death? Who will win next year's Skellies? Find out at *Halloween Lies*.

In *Halloween Lies*, not everyone is as they seem – some have dark secrets they need to keep hidden . . . and someone is the murderer.

All those invited to *Halloween Lies* are given a character. As they arrive they are greeted by the Master/Mistress of Ceremonies (MC), and welcomed to the party. Each character has goals and objectives that they must complete before the end of the evening. The characters have various skills and abilities that will help them uncover secrets and achieve their goals.

Players can form alliances, blackmail each other, steal items and even try to make the best movie for next year. Along the way they may solve some of *Halloween Lies's* mysteries. What is the Post-Modern Freeform Movement up to? Who will get tickets to the charity ball? What *really* happened on the set of *The Snow Beast*? And of course, how did Tom Speed die? Find out in *Halloween Lies*.

How many people are needed for *Halloween Lies*?

Halloween Lies has been written for 16 to 32 guests – plus one host (the game co-ordinator). The step-by-step guide explains which characters to omit should you have fewer than 32 guests (you do need at least 16, however).

All the characters have been written so they are gender-neutral, so you can have any combination of male and female players.

And if you have even more guests, we have a few free extra characters for *Halloween Lies* available on our website.

How does *Halloween Lies* work?

Halloween Lies runs over the course of three or four hours and suits a buffet meal. The host takes the role of the Master/Mistress of Ceremonies (MC), and acts as organizer, responsible for making sure everything runs smoothly. The host does not count towards the minimum or maximum number of players.

The guests are stars, producers and other Hollywood characters with their own goals. How they choose to achieve those goals is entirely up to them. *Halloween Lies* is an evening of blackmail and movies!

As the evening draws to a close next year's movies are acted out and the game ends. Then everyone has a chance to find out what was really going on!

Is *Halloween Lies* suitable for kids?

Yes! As well as being ideal for adults, *Halloween Lies* can be enjoyed by kids aged 12 years and up.

***Halloween Lies** was the BEST because all the characters had lots to do, were essential for the plot, intermingled and lots of subplots were happening at once.*

*I thought you might like some pictures of our recent playing of **Halloween Lies** (on the occasion of a birthday party). It was great fun – astonishing amount of malicious gossip generated between the players as the game evolved. We did the 'film acts' after the ending of the game – and they were an absolute hoot. Peter*

*We wanted ease of finding costumes (anybody can come up with a Halloween costume), plus a large party of 20+ people, plus **Halloween Lies** sounded more involved/interactive, less rigid structure than out of the box type murder mystery games. All the guests seemed to have enjoyed themselves – people thought the movies section was the funniest!*

Great game! Lots of fun! You have great customer service and I would recommend your site to anyone. Susie
