

SNOW BUSINESS

Each winter, the Harrisons and Perrys rent Chalet Flaubert in the French Alps for a skiing holiday with their families and friends. Usually an opportunity to unwind away from the pressures of normal life, this year has been different. Sisters Jacqui and Mariella have been arguing, Lucy has sprained her wrist and tonight, real tragedy has struck—John Morgan's body has been found at the bottom of the attic steps.

It has snowed heavily all day and the chalet is now snowed in. Nobody can leave the chalet until the snowplough arrives, which won't be until tomorrow at the earliest. So as night draws in, Chalet Flaubert is cut off from the rest of the world.

Did John fall or was he pushed? Is there a murderer in Chalet Flaubert?

How many people are needed for Snow Business?

Snow Business is for 10 to 12 guests—plus one host (the game coordinator). The step-by-step guide explains which characters to omit if you have fewer than 12 guests (you do need at least 10, however).

Number of guests	Male characters	Female characters	Characters that can be played by anyone
10	4	4	2
11	4	4	3
12	4	4	4

If you have even more guests, we have a few free extra characters for *Snow Business* available on our website.

How does Snow Business work?

Snow Business runs for three or four hours and suits a buffet meal. The host acts as organizer, responsible for making sure everything runs smoothly. The host does not count towards the maximum or minimum number of players.

Your guests are all present at a family skiing holiday. They all have their own goals and agendas, and how they choose to achieve those goals is entirely up to them. *Snow Business* is an evening of double-dealing, intrigue, secrets and even murder!

Where can I purchase Snow Business?

Snow Business is available from freeformgames.com. We accept all major credit cards and PayPal.

When you purchase the game, you'll be taken to a page where you can download it right away.

We will also email you a download link and password, so you can collect your game later if that's more convenient.

Snow Business was a huge success! Everyone involved had a wonderful time! I have now done two of your murder mysteries and plan on working my way through all of them! I have already had several folks ask for another one. Overall my guests and my family had a blast and we will be doing it again soon! **Christina, Texas**

We just finished *Snow Business* and it was a blast even with the limited time we had. We DEFINITELY liked it. **Stefanos, Greece**

We played *Snow Business* last night, and had a great time. The weather was unseasonably warm, and everyone turned up in their ski kit. Some people had never met each other; before but within minutes they were all in character. Lots of great photos to remember the night! **Annie, Germany**
