

PERM CREEK TOWN NEWSLETTER

JULY 1984

Let the good times roll!

R.J. Harrington comes of age this month with the advent of his 30th birthday. R.J. and his brother Bobby are two of the most eligible men around town. I'm sure it won't be long before we hear wedding bells at South Spoon Ranch. Dixie Green has been a long-term attachment for R.J. Maybe the two will finally tie the knot??

Another oil strike

Another big oil strike for Harrington Oil, the second one this year, has just been announced.

Bobby Harrington will manage the new field. Bobby recently joined the family business after completing a degree in finance in Houston. Good luck, Bobby, in your new role.

Lucille wins another trophy

Lucille Harrington has added yet another trophy to her collection for her outstanding horsemanship.

She won the barrel race at the Perm Creek Rodeo last month. Congratulations, Lucille! Congratulations also go to Sue Helen Butler for winning the bucking bronco prize at the same rodeo.

New addition for the Butlers

The Butlers have just acquired Tinsel Toes, a top thoroughbred mare of Blazing Blue and Diamond Dazzle. With such good lineage, I think we can expect great things from Tinsel Toes at next year's Perm Creek Rodeo.

New doctor at Bobcat Road Surgery

The new doctor has finally arrived at Bobcat Road Surgery, Dr Drew Morrison. Dr Morrison is originally from Houston and replaces the recently retired Dr Clark, a general practitioner in this town for over thirty years.

Crystal Harrington to open town fair

Crystal Harrington has gracefully agreed to open this year's Perm Creek fair next month.

The town wants to thank Mrs. Harrington for agreeing to attend this event and for her generous donation which allows this fete to take place each year.

I'd also like to take this opportunity to remind everyone that all entries for the fete produce competitions have to be made by the end of this month to Mrs A Busybody at Box K Ranch.

This year's fair is to be held on the first Saturday in August. Hope to see y'all there.

The Ranch Rustler strikes again!

Another horse has been stolen, this time from neighboring Dog-Leg Creek. Be extra vigilant until this criminal is caught.

Other news

The Beaver Road Gym has just gained a new fitness instructor, Rick Harper. Contact Rick at the gym if you feel you need a fitness assessment.

The local children's charity wants to thank Miss Dixie Green for her recent fundraising work. The kindergarten now has enough money in their "roof fund" for the required building repairs.
