The hottest news from the Roxy A Go Go music venue!

TONIGHT AT THE ROXY

We are delighted to host Eruption, Platinum Records' latest hair metal sensation tonight. Eruption finishes their debut tour in their hometown with two gigs here at the Roxy. See Scott on his motorbike, fall in love with cute Joe, be trendy like Andre and get lost in the music like Gary! With Eruption, every show is unforgettable!

We all know their big hit, "You're the One for Me," but did you know that three of the band grew up nearby? When the Roxy reopened four years ago, the band was in high school and watched their heroes on stage. The Roxy is back to being a legendary concert hall, just like it was in the 1960s!

DRUGS: JUST SAY NO!

Everyone knows that drugs are harmful, but especially watch out for the drugs you are offered by strangers. Drugs like cocaine might seem harmless and good fun, but they are addictive and may cause serious health risks! Just say no!

BOOTLEG BAN

Did you know that it is illegal to buy bootlegs? Bootlegs are unauthorized concert recordings—bands make no money from them!

ALL ABOUT ERUPTION

Eruption's first album, "Eruption" (1985, Platinum Records), entered the charts after their hit single, "You're the One for Me," topped the single charts.

Eruption are Slick Scott (Scott Bonham, vocals), Hairy Joe (Jonathan Hare, lead guitar), Rollin' Gary (Garreth Stone, bass guitar), and Big Andre (Andrew Bell, drums). Scott Bonham wrote all songs except "You're the One for Me" by Jonathan Hare.

Eruption formed in 1980 when Joe, Gary and Andre were in their last year in high school. Scott joined Eruption when they signed with Platinum Records in 1984.
