

BACKSTAGE BUSINESS

Welcome to 1986. Eruption is a young band with loud guitars, big hair, spandex, and a lot of make-up. Recently, Eruption had a runaway hit with a sweet love song called “You’re the One for Me”. Tonight, at the end of their first, five-month tour, Eruption is back in their home city and has just finished the second of two shows at the Roxy A Go Go. It’s now time for the backstage end-of-tour party!

As with any successful band, backstage is not only filled with the band and their fans but also with managers, roadies, groupies, and charity organizations all looking to make a profit from the band.

However, things may not be going well for Eruption. Tonight, after obvious tension on stage, they played their encore without their lead singer, Slick Scott. Is everything okay?

Welcome to *Backstage Business!*

LET THE SHOW BEGIN!

WHAT DO YOU GET WITH *BACKSTAGE BUSINESS*?

- A step-by-step guide on how to run the game.
- Character booklets for each guest, including background, goals and objectives, rules, and special abilities.
- Item cards for each guest.
- Handouts, nametags, and other essential items.

HOW MANY PEOPLE ARE NEEDED?

Backstage Business is for 18 to 22 guests—plus one host (the game coordinator). The step-by-step guide explains which characters to omit if you have fewer than 22 guests (you need at least 18, however).

| Number of guests | Male characters | Female characters | Characters anyone can play |
|------------------|-----------------|-------------------|----------------------------|
| 18 | 2 | 4 | 12 |
| 19 | 2 | 4 | 13 |
| 20 | 2 | 5 | 13 |
| 21 | 2 | 5 | 14 |
| 22 | 2 | 5 | 15 |

And if you have even more guests, we include an extra character for *Backstage Business*.

HOW DOES *BACKSTAGE BUSINESS* WORK?

Backstage Business runs for three or four hours and suits a buffet meal. The host acts as organizer, responsible for making sure everything runs smoothly. The host does not count toward the maximum or minimum number of players.

The guests are all present backstage at the Roxy A Go Go. They each have their own goals, and how they achieve these goals is up to them. *Backstage Business* is an evening of intrigue and secrets!

WHAT AGE IS *BACKSTAGE BUSINESS* SUITABLE FOR?

We suggest *Backstage Business* is suitable for ages 18+ as it contains adult themes and references to drugs and drug taking.

BACKSTAGE GOSSIP

The hottest news from the Roxy A Go Go music venue!

TONIGHT AT THE ROXY

We are delighted to host Eruption, Platinum Records' latest hair metal sensation tonight. Eruption finishes their debut tour in their hometown with two gigs here at the Roxy. See Scott on his motorbike, fall in love with cute Joe, be trendy like Andre and get lost in the music like Gary! With Eruption, every show is unforgettable!

We all know their big hit, "You're the One for Me," but did you know that three of the band grew up nearby? When the Roxy reopened four years ago, the band was in high school and watched their heroes on stage. The Roxy is back to being a legendary concert hall, just like it was in the 1960s!

DRUGS: JUST SAY NO!

Everyone knows that drugs are harmful, but especially watch out for the drugs you are offered by strangers. Drugs like cocaine might seem harmless and good fun, but they are addictive and may cause serious health risks! Just say no!

BOOTLEG BAN

Did you know that it is illegal to buy bootlegs? Bootlegs are unauthorized concert recordings—bands make no money from them!

ALL ABOUT ERUPTION

Eruption's first album, "Eruption" (1985, Platinum Records), entered the charts after their hit single, "You're the One for Me," topped the single charts.

Eruption are Slick Scott (Scott Bonham, vocals), Hairy Joe (Jonathan Hare, lead guitar), Rollin' Gary (Garreth Stone, bass guitar), and Big Andre (Andrew Bell, drums). Scott Bonham wrote all songs except "You're the One for Me" by Jonathan Hare.

Eruption formed in 1980 when Joe, Gary and Andre were in their last year in high school. Scott joined Eruption when they signed with Platinum Records in 1984.
